

How Are You Getting On How Are You Getting On?

We would love to hear how you are getting on using reusable nappies. Even if you have stopped using them, please still participate as your feedback is really important for the Real Nappies for London scheme.

The survey will give you the opportunity to answer a short series of questions that will build up a picture of reusable nappy use in London. You will have the opportunity to provide your feedback and let us know if you need any support or advice.

If you have stopped using reusable nappies, you may find that we have some useful tips to get you going again. We can provide better one-to-one support if you leave contact details in this survey or get in touch with us directly: info@realnappiesforlondon.org.uk or 020 3150 2023.

Any personal details provided in this survey will only be used for follow-up support. Data from this survey will be anonymised and used for research purposes so that we can provide feedback to the funders of the scheme (Local Authorities).

Best wishes,
Alice
