

Barnet Reusable Nappy Survey

Reusable Nappy Survey

We would really appreciate your feedback to help us build a better understanding of reusable nappy use in Barnet. Your input is vital to help us improve our scheme and support more families in making more informed nappy choices.

Data from this survey is anonymised and used for research purposes so that we can provide feedback to the funders of our voucher scheme, Barnet Council and the NLWA (North London Waste Authority). The survey should take no longer than 5 - 10 minutes, depending on your answers. If your baby is now potty trained and out of nappies, or if you have stopped using reusable nappies, please still complete the survey as much as you can.

If you have any questions about the survey or anything else about reusable nappies, please contact: info@realnappiesforlondon.org.uk or 020 3150 2023.

Thank you for taking the time to complete our survey. We look forward to reading your responses.

Kind regards,
Real Nappies for London
